Part I, No.2:

The first and final paragraphs are replaced in their entirety with the following:

The Authority is seeking to Contract with two (2) firms to satisfy the Authority's requirements for legal services as Issuer Counsel. The Authority will satisfy its need for Issuer Counsel services by choosing from between these two firms unless a conflict or other valid reason exists why neither firm can serve in that capacity, in which case the Authority will select another firm. The Authority's Executive Director will determine in his sole discretion whether a conflict, either actual or perceived, exists. During the contract period, no particular quantity of work is guaranteed to either of the two firms selected.
